**POWER POINT PRESENTATION FOR EDUCATION ON PROTECTION  
OF MARINE LIFE AND MARINE ENVIRONMENT**

Reference: The Head of Steering Committee Marine and Eco friendly projects letter No. PH.15 dated 05<sup>th</sup> October 2015.

1. As indicated vide item No. 3 of above quoted reference, the soft copy of the Power Point Presentation prepared in languages of Sinhala and Tamil are provided herewith. Head of Steering committee of the commands and Coast guard are requested to pay special attention to prepare an action plan for the education programme. It is important to detail a suitable team to educate ships companies and the public targeting schools and fishing communities to achieve the objective of the education programme. The DVD provided herewith contains different presentations. When delivering presentation to target groups use only the appropriate presentation (ie; there is no requirement to educate civil community about the solar projects and bio gas projects undertaken by SLN). Addition copies could be prepared and used to disseminate the information to a broad area within a short time. Arrangement is being made to provide a computer and multimedia exclusively for this education programme in the near future. It is requested to utilized resources available in the area until supply of same.

2. It is also requested to maintain records of the education programme conducted with following details.

- a. Date and time
- b. Location
- c. Target group
- d. No of participants
- e. Feedback from participants or any other remarks.

3. Request confirm receipt.
