We wanted to thank coast guard  
MNB MINIPURA  
BMPK JAYAWICKRAMA and PM KOTTABODA  
for rescue of our lives!

It all happened unexpectedly, we  
just went to swim and didn't see  
that the waves become too strong  
and we were taken away from  
the beach. We tried to get out  
by ourselves, but we failed and  
became crying for help. Luckily  
we were heard fast and coast  
guard come to rescue us very  
quickly.

Thank you very much!
